

## LED Vanity Linear Light - VL03 Series

**Application:** perfect for bathrooms, powder rooms, and other indoor spaces. Also serves as an excellent replacement for existing ceiling- and surface-mounted light luminaires.

### Description

Enhance your space with this sleek, modern LED vanity light featuring integrated LED technology for energy-efficient, maintenance-free illumination. Designed with a durable PC housing and SPCC steel back plate, it delivers reliable performance and a clean contemporary look. With selectable 5CCT and flexible mounting options, this fixture provides comfortable, customizable lighting for a variety of indoor applications.

### Features

- **Multiple Size Options:** Available in 18", 24", 36", and 48" sizes to fit various vanity and lighting requirements.
- **Durable Construction:** PC housing with SPCC steel back plate offers excellent durability and long-lasting performance
- **Damp Rated:** Suitable for damp locations.
- **Flexible Installation:** Supports horizontal or vertical wall mounting for versatile design options.
- **Long Rated Life & Wide Operating Temperature:** Features  $L_{70}$  lumen maintenance over 50,000+ operating hours with reliable performance across ambient temperatures from -4°F to 104°F (-20°C to 40°C).
